Foreword

As we stand on the threshold of the future we look back over many happy and joyous days at Pleasant Gardens School.

Tis sad, but we must now step down and make room for others to step up.

To each student turning the pages of this year-book—we encourage you to work and strive for the best, so that when the time comes for you to step down, you can look back on a job well done.

Class Poem

We pass by. A brave smile on our face.
We tread forward, seeking to find our place.
We are afraid, yet we do not fear;
The future imprinted in our mind is so severe.

Not to be forgotten is the past gone by,
Heartaches, laughter, tears—things that must not die.
We each seek a goal of our own,
A destiny which we cannot prone.

A cry is heard, or should we say a plea
To march on, ahead to a greater victory.
Our Dear Alma Mater is loved by the class of '61,
Who would remain, but our hearts call to adventures not yet won.

So onward we go with a tear and a sigh,
Never looking back lest we should cry.
So we smile plunging into the lines,
Leaving the school amid the pines.

Class History

The fall of 1957 marked the beginning of a new chapter in our lives as we, the present seniors, made our grand entrance into high school. As was the custom, initiation day marked our formal introduction into this institution of higher learning. We elected as officers Morris McHone, President; Loretta Allison, Vice President; Elizabeth Whitner, Secretary; Diana Byrd, Treasurer; and Barbara Hollifield, Reporter. Mrs. Bradsher and Mr. Wright were our homeroom teachers.

Enthusiastically we returned to school in the fall of 1958 feeling a little more superior than we had the year before, because we were now sophomores. Holding the class offices this year were Mickey Shuford, President; Carolyn Westall, Vice President; Loretta Allison, Secretary; Diana Byrd, Treasurer; and Barbara Hollifield, Reporter. Miss Carswell and Mr. Crawford were our homeroom teachers.

We returned to school as juniors in the fall of 1959. This year was an eventful one. We gave the seniors a very nice banquet even though it required much planning and hard work. Our officers were Pat Bost, President; Arthur Clough, Vice President; Loretta Allison, Secretary; Diana Byrd, Treasurer; and Barbara Hollifield, Reporter. Mrs. Rowe and Mr. Crawford were our sponsors for this year.

As the fall of 1960 marked the beginning of another school year, we stepped into the most honored position of seniors. As this year would be an eventful one we needed people who would lead our class well so we chose as officers Arthur Clough, President; Pat Bost, Vice President; Loretta Allison, Secretary; Diana Byrd and Sharon Martin, Treasurers; and Barbara Hollifield, Reporter. We all looked forward to the senior play and most of all, the senior trip.

At the beginning of this year we realized that a very important chapter of our lives was closing, and that we were on the threshold of another chapter. We sincerely hope that what we have learned at Pleasant Gardens will help us make the most of our opportunities and lead us on to greater things.

The dance team performs for civic clubs and groups, and has won awards at the Mountain Youth Jamboree in Asheville. First row—Carolyn Howell, Diana Byrd, Lib Whitener, Lana McAfee,

Pat Bost, Sharon Martin, Joyce Boyd, Irene Silver. Second row—Robert Fender, Mickey Shuford, Bobby Wilson, Steve Rocket, Mickey Ross, Carl Henline. Third row—Betty Lou Davis, Gerald Lewis, James McKinney, Charles Brooks, Jeanette Hyatt, Scottie Speer, Pat McMahan.

The Freshman Folk Dance Team was formerly an elementary group, so when they entered high school they remained in their same group instead of joining the other team. First row—Annie Laura Dover, Kay Hemphill, Nancy Padgett, Linda Whitson, Judie Rabb, Janie Wilson, Jane Wright. Second row—Robert Fortune, Fredrick Barbour, Dan Bost, Danny Burnette, Gary Mainer, John Hoppes, Howard Bradburn, Eddie Speer.

The Folk Dance Club is the special project of Mr. and Mrs. Colon Wright. For many years Mrs. Wright has taught her students dances of other countries. Her enthusiasm is shared by all. The hours of practice and the time spent in preparation for a program are well rewarded when her teams perform well.

Sorry,
Honey, I really don't know what
to say. I mean I don't know how to
say how much you mean to me, and
how much you have meant to me,
especially the last three months.
I've known you along time but never
knew you good till last year, we had
fun triple dating with Robert & Carolyn
and Charles & Pam. Remember how
early Robert use to come? I believe it
was around 6:00 or 6:30. I'll never
forget the Riding Services, you were
so embarrassed. He had a good time
at the car washes too. I was foolish
last year, but we all have to learn
from experience, and I had to learn
the hard way. Well, I finally came
to my senses this year, it took me
long enough, I admit. Honey, you're
glad you waited, till I did.

Then January 7, 1961 you ask me you
my just date, and then the big day
January 26, 1961 you ask me to go
steady. And these last few months
have been the happiest time of my
life - truthfully you've made me
the happiest I've ever been.

I've told the story of our romance (leaving out only a few details...) that I don't want anyone to read. Now, I'll talk about you as just a person. You are a very intelligent, good-looking, sarcastic, Democrat, Madras guy. You have some pretty old scars on your face. I should admit, but I wouldn't want you any other way. I love your family almost as good as mine. I hope some day they'll be my in-laws. I think you'll make it at State because its hard in you not to be a failure, and you won't be.

I hope our plans for the future work out, and on my part they will.

If you see me this summer you better be good.

Well sweetheart, to soon it may be small and I couldn't have ended up with a guy I would respect and love anymore than I do you.

I love you the way you are, Touché, signs and all. Always yours

Carnie
